Houston Healthcare - Warner Robins Earns National Recertification for Hip and Knee Replacement Program

Warner Robins, GA, Nov. 16, 2023 – Houston Healthcare – Warner Robins has received Advanced Hip & Knee Replacement Program Recertification from DNV Healthcare.

DNV recertification as a Hip & Knee Replacement Center validates program excellence across the spectrum of hip and knee replacement care, from diagnosis to treatment, rehabilitation, education, and outcomes. Recertification indicates continued dedication to patient care and quality of services in adherence to the standards and guidelines of the American Academy of Orthopaedic Surgeons.

“Recertification tells our community that Houston Healthcare continues to have the resources and commitment to provide the best possible care for our hip and knee replacement patients,” says Nichole Blount, RN, BSN, MBA, director of surgical services, Houston Healthcare. “It’s a combination of the right equipment, personnel and training to exhibit excellence in orthopaedic surgery within the scope of hip and knee replacement and related procedures. Recertifying validates all the effort we have put into this program to ensure the health and safety of our patients.”

“Achieving recertification shows remarkable commitment to excellence,” says Kelly Proctor, President of DNV Healthcare. “It demonstrates to your community that your organization consistently performs at the peak level.”

About Houston Healthcare

Houston Healthcare serves over 300,000 people every year in multiple locations throughout Houston County. Our 282 inpatient beds, three urgent care facilities, nine physician practices and numerous ancillary services have one goal—taking care of the people that call Houston County and surrounding communities home.
