

GHA BOARD OF TRUSTEES DATA AND TECHNOLOGY COMMITTEE CHARTER

Purpose: The Data and Technology Committee assists the GHA Board in its oversight responsibilities supporting association activities related to the collection and analysis of hospital data, including, but not limited to, hospital discharge data.

Objectives:

- Improve completeness, accuracy, and timeliness of the data submitted by hospitals.
- Enhance the value of the deliverables GHA provides to participants in the data program and to the state.
- Educate hospitals to help improve data accuracy and completeness.
- Recommend updates to the Georgia Discharge Data Set (GDDS) program specifications and standard submissions.

Meetings: The Committee shall meet whenever necessary at the call of the Committee Chair. The Committee shall maintain minutes of all meetings documenting its activities and recommendations to the Board.

Members: The Committee shall consist of 12 -14 members who have experience using, analyzing, or reporting hospital data to the GDDS program.

The Committee shall have a Chair who is designated by the Committee membership in accordance with guidelines adopted by the Committee.
