

GHA IN-HOUSE COUNSEL ASSOCIATION CHARTER

Purpose: To provide a forum for hospital-based (in-house) legal counsel to discuss legal issues, share ideas and network.

Objectives: At the request of the GHA Board of Trustees and/or GHA leadership, participate in the review and development of legislation.

Provide educational programs on legal and regulatory issues that affect Georgia hospitals and health care providers.

Share insights and best practices on the application of state and federal laws and regulations to the operation of hospitals and health care providers.

Members: Members shall consist of in-house legal counsel employed by hospitals or health systems which are members of GHA in good standing.

The Association shall have a Chair who is designated by the Association membership in accordance with guidelines adopted by the Association.
