

Memorial Health Welcomes New Heart Care Specialist

Savannah, GA (July 18, 2024) — Memorial Health welcomes board-certified interventional cardiologist, Dr. Mazen Khalil, as the newest member of the facility’s heart care team.

Dr. Khalil is triple board certified in internal medicine, cardiovascular disease and interventional cardiology. He will work alongside the providers at Memorial Health University Physicians – Heart Care to help assess, diagnose and treat common heart care conditions including hypertension and coronary artery disease.

“I believe every patient deserves the highest level of quality and attention possible,” says Dr. Khalil. “I work diligently to thoroughly understand my patients’ needs and goals, always treating them as if they were my own family.”

Dr. Khalil obtained his medical degree from the American University of Beirut and completed his internship and residency at Case Western Reserve University in Cleveland, Ohio. He completed a dual fellowship in cardiovascular medicine and interventional cardiology at Emory University in Atlanta, Georgia.

Dr. Khalil will provide care at Memorial Health University Physicians Heart Care’s locations in Savannah (Waters Avenue) and Jesup, GA. To schedule an appointment with Dr. Khalil, please call (912) 273-1100.

###

Memorial Health provides the region’s only Level I trauma center for the most acute illnesses and injuries, as well as dedicated children’s, cancer and heart hospitals to serve a 35-county area in southeast Georgia and southern South Carolina. The system includes its flagship hospital – Memorial Health University Medical Center - a 645-bed academic medical center; Memorial Health University Physicians’ primary and specialty care networks; a major medical education program and a 24-hour nurse call center. Memorial Health is a part of the HCA Healthcare family, the largest provider of care in the United States and the UK.
