Upson Regional Medical Center Welcomes Dr. Stewart Barrett to Upson Surgical Associates

Thomaston, GA, October 1, 2024 - Upson Regional Medical Center is excited to welcome Stewart Barrett, M.D., to Upson Surgical Associates. Dr. Barrett joins Dr. Darryl Knight, Dr. Robert Solyomvari, and Jess Rogers, PA-C at Upson Surgical Associates.

Dr. Barrett recently completed his general surgery residency at Grady Memorial Hospital. He received his medical degree from Morehouse School of Medicine. He is a general surgeon who has extensive training in the latest technology. Dr. Barrett provides expertise in robotic surgery which allows for faster recovery times and fewer complications.

Dr. Barrett, who is a native of Loganville, GA, shared, “I was initially drawn to Upson Regional because of the pride the organization takes in providing the latest technology and robotic surgery options in the rural setting that I love. Upson and surrounding counties offer beautiful scenery and fantastic quality of life. I am looking forward to becoming ingrained in the communities that URMC serves.”

Randy Jobe, Upson Regional Medical Center Practice Administrator, expressed “Dr. Barrett is a great addition to our team at Upson Surgical Associates. He is well versed in utilizing cutting edge technology and robotic surgery options. We are excited to support Dr. Barrett in providing high quality surgical services to patients in our service area.”

Dr. Barrett offers surgical services in both Thomaston and Barnesville. Upson Surgical Associates is located at 612 W. Gordon St. (Suite B) in Thomaston and 100 Hwy 18 W. (Suite 206) in Barnesville. For appointments, call 706-648-3368.
