

Atrium Health Navicent Celebrates Ribbon Cutting for Warner Robins Primary Care Clinic *Houston County clinic is accepting new patients*

WARNER ROBINS, Ga., Nov. 13, 2024 – Members of the community joined Atrium Health Navicent in celebrating a ribbon cutting Wednesday for a new primary care clinic, [Atrium Health Navicent Primary Care Warner Robins](#).

“We’re excited to expand our primary care service area to help residents of Houston County and the surrounding community to have easier access to high-quality care with Saturday and extended hours,” said [Atrium Health Georgia Market President Delvecchio Finley](#). “Regular check-ups with a primary care provider, and having an ongoing health care relationship with a provider, are key to helping individuals and families live healthier, fuller lives.”

Conveniently located at 113 Willie Lee Parkway in Warner Robins – just off Watson Boulevard – the clinic offers primary care for patients aged 2 and older, including preventative care and annual physicals; immunizations; same-day sick appointments; disease management for conditions such as diabetes, congestive heart failure and hypertension; x-rays; laboratory services and more.

Occupational Medicine services include drug and breath alcohol testing; workers’ compensation evaluations, pre-employment physicals, respirator fit testing and more.

As part of Atrium Health Navicent, patients at Atrium Health Navicent Primary Care Warner Robins will have direct access to referrals to a broad range of medical specialists. Additionally, patients are invited to register for [MyAtriumHealth](#) patient portal for access to their electronic medical record, appointments and additional services.

Atrium Health Navicent Primary Care Warner Robins offers appointments Monday through Friday from 8:30 a.m. to 6:30 p.m., and Saturday from 9 a.m. to 5 p.m. To make an appointment, call 478-333-6688. Walk-in services are also available.

About Atrium Health Navicent

Atrium Health Navicent is the leading provider of health care in central and south Georgia and is committed to its mission of elevating health and well-being through compassionate care. Atrium Health Navicent is part of [Advocate Health](#), which is headquartered in Charlotte, North Carolina, and is the third-largest nonprofit health system in the United States, created from the combination of Atrium Health and Advocate Aurora Health. Atrium Health Navicent provides high-quality, personalized care in 53 specialties at more than 50 facilities throughout the region. As part of the largest, integrated, nonprofit health system in the Southeast, it is also able to tap into some of the nation’s leading medical experts and specialists with Atrium Health, allowing it to provide the best care close to home – including advanced innovations in virtual medicine and care. Throughout its 125-year history in the community, Atrium Health Navicent has remained dedicated to enhancing health and wellness for individuals throughout the region through nationally recognized quality care, community health initiatives and collaborative partnerships. It is also one of the leading teaching hospitals in the region, helping to ensure viability for rural health care for the next generation. For more information, please visit www.NavicentHealth.org.

About Advocate Health

[Advocate Health](#) is the third-largest nonprofit integrated health system in the United States – created from the combination of Advocate Aurora Health and [Atrium Health](#). Providing care under the names [Advocate Health Care](#) in Illinois, Atrium Health in the Carolinas, Georgia and Alabama, and [Aurora Health Care](#) in Wisconsin, Advocate Health is a national leader in clinical innovation, health outcomes, consumer experience and value-based care. Headquartered in Charlotte, North Carolina, Advocate Health services nearly 6 million patients and is engaged in hundreds of clinical trials and research studies, with [Wake Forest University School of Medicine](#) serving as the academic core of the enterprise. It is nationally recognized for its expertise in cardiology, neurosciences, oncology, pediatrics and rehabilitation, as well as organ transplants, burn treatments and specialized musculoskeletal programs. Advocate Health employs 155,000 teammates across 69 hospitals and over 1,000 care locations and offers one of the nation’s largest graduate medical education programs with over 2,000 residents and fellows across more than 200 programs. Committed to providing equitable care for all, Advocate Health provides more than \$6 billion in annual community benefits.
