

## **Coffee Regional Medical Center Recognizes Ashley Flanagan, PCT, with 'The BEE Award'**

November 14, 2023 (Douglas, Ga) –

**Coffee Regional Medical Center (CRMC)** is proud to honor staff members who have been recognized by our patients, patient family members, or co-workers for their outstanding work to assist in our patients' and visitors' care. When it comes to quality patient care, it truly takes a team. **The BEE Award** recognizes the extraordinary work of non-nursing staff at CRMC. This award complements the DAISY Award, which recognizes outstanding service and care by our nursing staff.

Recently, CRMC recognized our honoree for 3rd Quarter 2023, Ashley Flanagan, PCT. Ashley is an outstanding Patient Care Technician in our Pediatric Unit. She was nominated five times this quarter by her fellow employees as well as patients. They shared that Ashley works extremely hard and always goes above and beyond for all the patients under her care. They shared that she is a team player and brings joy to the unit. As a testament to her hard work, Ashley's co-workers shared that she not only does an outstanding job on the Pediatric unit but also assists in other units, without hesitation, when she is needed. Caregivers like Ashley truly make a difference when it comes to patient care.

**Coffee Regional Medical Center** would like to take this opportunity to congratulate Ashley and all the BEE Award nominees for the 3<sup>rd</sup> quarter of 2023. We are grateful to have such an incredible team of caregivers dedicated to caring for our patients. We thank them for all they do daily to care for our patients (and each other) while staying true to ***Our Purpose; To Serve, To Heal, To Save.***

All non-nurse members of the Coffee Regional Medical Center staff qualify for The BEE Award. Nominations are gathered each month and awarded every quarter after the BEE Award committee members choose the award recipient. Each honoree receives a certificate that reads: "This award is proudly presented in recognition of going BEE-yond in showing our patients & visitors an Exceptional Experience here at Coffee Regional Medical Center." Additionally, honorees receive a unique BEE Award pin for their badge, a \$50 gift certificate, and a reception with their colleagues featuring freshly made "honey bee" buns as a sweet treat.
