

Coffee Regional Auxiliary to Hold Quilt Raffle

September 07, 2023 (Douglas, Ga) –

Coffee Regional Medical Center Auxiliary will hold a quilt raffle in October to raise funds for CRMC's Chemo Infusion Unit. Hands and Heart Quilters, a local quilting group meeting at General Coffee State Park on Wednesdays to create beautiful, one-of-a-kind quilts, donated a quilt for the raffle. Ann Waldron, a talented volunteer with CRMC Auxiliary, is a member of Hands and Hearts and encouraged the group to donate the quilt to CRMC Auxiliary to create a unique fundraiser.

Ticket sales for the raffle will begin on Monday, October 2nd, and will be available for purchase throughout the month of October. The raffle tickets will be sold in the CRMC giftshop. Tickets are \$5.00 each, or five tickets for \$20.00.

As requested by the members of Hands and Hearts, all proceeds from the raffle will be donated to the CRMC Foundation and earmarked for the Chemo Infusion Unit at CRMC. The entire CRMC family extends a special thanks for the donation of this beautiful quilt to CRMC Auxiliary.
