

Coffee Regional Medical Center Recognizes Dell Atkins, Paramedic, as BEE Award Winner for 2nd Quarter 2023

September 06, 2023 (Douglas, Ga) –

Coffee Regional Medical Center (CRMC) is proud to honor staff members recognized by patients, patient families, and co-workers for their outstanding work. It truly takes teamwork when it comes to quality patient care, and Coffee Regional Medical Center recognizes that. The BEE Award was established to recognize the extraordinary work of non-nursing staff. This award complements the DAISY Award, which recognizes outstanding service and care by our nursing staff.

For the 2nd quarter of 2023, the BEE Award honoree is Dell Atkins. Dell is an experienced Paramedic with the CRMC EMS. Dell received 2 outstanding nominations this quarter from her teammates. After responding to a severe motor vehicle accident with multiple critical injuries, her professionalism and leadership resulted in this nomination. Her team shared, “She is a prime example of what great leadership is for EMS. After the call, she went to each crew member involved in that scene to personally check on them. She truly is an inspiration and a great role model to younger, upcoming medics. She is a great example of what CRMC stands for.” Her next nomination shared, in part, “She has influenced many up-and-coming students of the EMS profession through being the epitome of hard work and dedication mixed with knowledge that is ever growing and shaping to influence better outcomes of patients entrusted to her care in the field.”

We are grateful to have Dell on our team as a first responder here in Coffee County and proud to recognize and honor her in this way. Please join us in congratulating her and thanking her for her service to our community.

All non-nursing Coffee Regional Medical Center staff members qualify for the BEE Award. Nominations are gathered each month and awarded every quarter. Members of the BEE Award committee choose the award recipient. Each honoree receives a certificate: “This award is proudly presented in recognition of going BEE-yond in showing our patients & visitors an Exceptional Experience here at Coffee Regional Medical Center.” Additionally, honorees receive a unique BEE Award pin for their badge, a \$50 gift certificate, and a reception with their colleagues featuring freshly made honey buns as a sweet treat.

If you would like to nominate a Coffee Regional Medical Center staff member for the Bee Award, visit us online at www.CoffeeRegional.org/Bee. If you want to nominate a nurse for the Daisy Award, visit us at www.CoffeeRegional.org/Daisy.
