FOR IMMEDIATE RELEASE

Athens, Ga. – Join St. Mary's Breast Health Center for a free webinar with breast surgeon Dr. Kathleen Jeffery. "Breast Cancer: Yesterday, Today & Tomorrow" is designed to empower women with knowledge about breast cancer and will be presented Monday, Oct. 2, starting at 6 p.m. via Zoom.

Dr. Kathleen Jeffery

During the webinar, Dr. Jeffery, our region's first female surgeon dedicated exclusively to breast health, will discuss current treatments for breast cancer and future treatments that are on the horizon. She will take questions from participants as time allows.

The webinar is free. Participants are asked to register in advance. To sign up, click on this link [Breast Cancer: Yesterday, Today and Tomorrow | St. Mary's Health Care System \(stmaryshealthcaresystem.org\)](https://www.stmaryshealthcaresystem.org/campaigns/breast-health/0923-breast_health_webinar) or go to [stmaryshealthcaresystem.org/_campaigns/breast-health/0923-breast_health_webinar](https://www.stmaryshealthcaresystem.org/_campaigns/breast-health/0923-breast_health_webinar).

St. Mary's Breast Health Center provides a multidisciplinary team approach to breast care, including prevention counseling, routine screening, diagnostic imaging, high-risk counseling, genetic counseling and testing, and medical, radiographic, and surgical treatment. For more information, visit www.stmaryshealthcaresystem.org or call 706.425.5437.
